CJHP Special Issue on Health Disparities and Social Justice

The Californian Journal of Health Promotion is planning to co-publish a Special Issue on Health Disparities and Social Justice this winter with the Center for Research on Minority Health, MD Anderson Cancer Center. Manuscripts are by invitation only. The issue will be published on CD-ROM.

Health Education and Promotion Network

Health educators with busy lives can now take graduate-level courses through the Health Education and Promotion Network (<http://www.hepnetwork.org/hepnet.asp>). This is a collaborative project between the American Association for Health Education (AAHE), which is an association of the American Alliance for Health, Physical Education, Recreation and Dance, and The Foundation for the Advancement of Health Education (FAHE).
